CALL TO ORDER

Chairman Frederick Martens called a special meeting of the Madison County Soil and Water Conservation District Commissioners to order Saturday January 31, 2015 in the commons area of I-35 High School, Truro, Iowa.

THOSE PRESENT:

Frederick Martens Chairman
Liz Woods Commissioner
Mike Koch Sect/Treasurer

Madison County Soil and Water Conservation district currently has a maintenance agreement for land located in the N½ of the SW¼ section 15 Walnut Township belonging to Steven Zeimet. The tract of land is being sold, upon a site review done by a Madison County technician it was discovered the windbreak does not exist. The purchaser requested the option of reimbursing the Treasurer State of Iowa the original cost share amount of \$750.00.

01-15 Moved by Mike Koch to accept cost share reimbursement in the amount of \$750.00. When the check is received, information and payment will be forwarded to IDALS requesting the maintenance agreement be removed. Seconded by Woods. Motion carried unanimously.
