

Public Meeting Notice

The Madison County Soil and Water Conservation District (SWCD) commissioners will hold a virtual public meeting on Wednesday, April 14, 2021 at 7:30 p.m. on Zoom for the purpose of convening the Local Working Group to finalize the 5-year Soil and Water Resource Conservation Plan (SWRCP) for Madison County.

The SWRCP is a comprehensive document which sets forth strategies, goals, and priorities for the wise use, protection, and improvement of land, water, and all related natural resources. After receiving input from public meetings in February and September 2020, the commissioners have updated the SWRCP for Madison County for the next five years. The plan will be presented at the meeting on April 14th, and the public is encouraged to attend!

To register for the meeting and receive information to participate, contact the Madison SWCD by calling 515-462-2961 ext. 3, or send an email to Anna.Golightly@ia.nacdnet.net by noon the previous day. If special accommodations are needed, please contact the Madison SWCD one week prior to the hearing.
