Stormwater Grassed Swale			50%	20						
Soil Quality Restoration			50%	5						

Cost share limitations are usually a percentage of the actual or estimated cost, the lesser of the two.

Practices will require a maintenence agreement to be filed at the Madison County Recorder office.

*Eligibility for IFIP 10 acres or more and produce \$2500 of agricultural products sold annually. REAP must grow agricultural commodity no acre limit or dollar limit.

**Eligibility for EQIP and NWQI require a tract and farm number through the Farm Service Agency to constitute their definition of a farm.
